REAL TEENS. REAL STORIES. REAL ISSUES. **ON STAGE.**

BE A PART OF SOMETHING THAT MATTERS

LOCKED IN: THE STORM is a powerful, entertaining stage production that brings the real-life experiences of today's teens to the stage.

Set inside Finley High School, students find themselves forced to confront the pressures, secrets and personal struggles they normally hide from one another. Through drama, humor, music and honest conversations, the production explores issues including bullying, anxiety, depression, social media pressure, family struggles, relationships, identity, academic pressure, difficult choices, self-worth and the need to belong.
